

CRS Customer: Adding Vehicles to Full Fee Fleets

Version 1.8 | November 27, 2019

YOUR *Safety*

YOUR *Mobility*

YOUR *Economic Opportunity*

CRS Application Access

This document will provide instruction on how to access the Commercial Registration System (CRS) application and how to add and register a vehicle using the CRS application.

1) Accessing CRS from the ITD DMV Web Site

- The primary method for accessing CRS is by selecting the **DMV icon**, located in the menu ribbon at the top of the Idaho Transportation Department (ITD) website.
- When the Division of Motor Vehicles (DMV) page opens (<https://itd.idaho.gov/itddmv/>), click on the **Commercial Vehicle Registration icon** in the lower-right area of the screen.

2) First-Time CRS Application Log In

- If a customer has not previously logged into the CRS system, the customer must contact ITD Motor Carrier Services at cvs@itd.idaho.gov to have their system access activated.
- The email should include your Idaho Account number (if known), USDOT number (if known), and the name used for your commercial credentials. The email also needs to include the name and email address of each individual who will have access to your account.
- Once the user account is created by ITD, two emails are sent by the Idaho CRS team. One email provides the User ID, and a second email provides a temporary password.
- Enter the **User ID** and **Temporary Password** provided.
- Select **Log in**.

- A **New Password** is entered and must be confirmed.
 - A password must be between 8 and 50 characters long, and cannot include your account number.
 - It must contain any three for the following [at least one: capital letter, small letter, numeric, special character from the following (!@%&+-?#\$^*(){}[])].
- A **Secret Question** and **Secret Answer** is entered.
- Click **Proceed** to continue.

- When the password reset is successful, a blue message will appear at the top of the page.
- Click on the **"Click here for Login"** link.

- k) The Welcome to CRS Application screen appears. Enter the user ID provided and password chosen in Step 2e above.
- l) Select **Log in**.

Welcome to CRS Application

This is PROD environment

User ID

Password

First time user?
Email cvs@id.idaho.gov with your Idaho Account number (if known), USDOT number (if known) and the name used for your commercial credentials. We will also need the name and email address of each individual who will have access to your account.

Log in

3) Announcements and Disclaimer Acknowledgement

- a) The Announcements area should be reviewed. Important system messages including system downtimes will be listed here.
- b) Each login requires the user to select the Disclaimer **Agree** button.

ANNOUNCEMENTS

Welcome to the new Commercial Registration System (CRS)! Remember, at any time you can click the question mark (?) for help specific to the screen you are on. Be sure to look for any error messages at the top of the screen, and before calling for help, click the camera image located in the upper right-hand corner of the screen to capture an image of what you are seeing. Anyone assisting you will be able to view the image, which will make troubleshooting quicker and easier. As we go forward, we'll enhance the wording of the error messages

DISCLAIMER

Privacy Policy

Use and operation of the State of Idaho web pages are governed by the laws of Idaho. Information collected at the State of Idaho web page may be subject to disclosure under the public record laws of Idaho including, but not limited to: Idaho Statute §74-102 et seq.

The state does maintain logs of visits to and use of its web pages. The state uses this information only for statistical analysis in order to identify user preferences and make the sites more user friendly. No personal information is gleaned or used from the logs. The collected information is not used to identify individual users and internet service providers.

E-mail logs for incoming e-mail concerning sender's and receiver's identification and the date and time that the message was sent are also maintained. The e-mail log does contain the message sent.

The state also employs security measures which, in the event of any attempt at compromising the state's web pages and its support systems, are capable of identifying the offending individual user and the user's internet service provider. All efforts at breaching the security of the state web pages and its support systems will be referred to the appropriate law enforcement agency for investigation and prosecution.

ANYONE USING THIS SYSTEM EXPRESSLY CONSENTS TO SUCH MONITORING.

4) Customer Dashboard

The Customer Dashboard opens. The dashboard displays company and fleet information, and pending transactions.

5) Adding a Vehicle to a Full Fee Fleet

- Click on **Services**. The **Services** menu will open.
- Select **IRP/Intrastate**.

 Supplement Effective Date: 10/17/2019

Proceed Refresh Quit ?

e) Fleets are groups of vehicles with specific types of registration.

FFP	Full Fee Power (Idaho-based power units)
FPF	Foreign Power Fleet (non-Idaho based power units)
ATF	Annual Trailer Fleet (trailers with an annual expiration date)
PTF	PTF = Permanent Trailer Fleet (trailers with a permanent registration)

f) Fleets with specific requirements.

FFF	Full Fee Fleet (power units that qualify for special fleet status)
LFT	Logo Fleet Type (Permanent trailer fleets with company logo plates)
RTF	Rental Trailer Fleet (rental utility trailers)

g) There are two methods for adding a vehicle to a fleet.

- Enter in the **Fleet No.** in the box to the right, and select **Proceed**.
- Select the fleet from the list by clicking on the word **Select** on the left side of the list.

h) The Vehicle Details screen will display. Verify the **Account** and **Fleet** numbers are correct before proceeding.

i) If correct, the **VIN** is entered in the field in the top, middle of the screen.

Note: The system requires searching for a vehicle by VIN prior to processing. The VIN is sent to VINtelligence for validation.

j) Click **Copy From**.

- k) If the VIN is found on VIntelligence, information will prefill information about the vehicle and a message will appear at the top of the screen. Proceed to step k below.

The screenshot shows a message box at the top with two lines of information:

1. IRPVEH413 : [I] Data returned from VIntelligence [VEH_TYP_CD - T, BODY_STYLE_CD - ST].

2. Vin Decoder Service: VIND01: [I] VIN [1XP9DB9X5EP163814] decoded successfully.

Below the message box is the 'Vehicle Details' section, which includes a 'New Vehicle Search Criteria' area with input fields for 'Unit No.' and 'VIN'. The 'VIN' field is pre-filled with '1XP9DB9X5EP163814'.

- l) If the VIN is not found, double-check VIN entry.
- If not correct:
 - Refresh the screen by pressing **F5** or selecting the orange **Refresh** button at the bottom of the screen.
 - Re-enter the VIN
 - Select **Copy From**.
 - If the VIN still does not validate on VIntelligence, the **VIN Override** button should be selected, either prior or after entering vehicle information.

The screenshot shows the 'CRS Application - IRP/Intrastate' interface. The left sidebar contains the user profile (CW, ID629528A) and navigation links (Customer Dashboard, Services, Enterprise, IRP/Intrastate, Haz & Trip Permits). The main content area is titled 'Vehicle Details' and includes a 'New Vehicle Search Criteria' section with input fields for 'Unit No.', 'VIN' (pre-filled with 1XP9DB9X5EP163814), and 'Plate No.', along with a 'Copy From' button. Below this is the 'Supplements Details' section with various fields for account, fleet, and supplement information. At the bottom, the 'Vehicle Details' section includes a 'VIN Override' button (highlighted with a red box) and input fields for 'VIN' (pre-filled with 1XP9DB9X5EP163814), 'Unit No.', and 'Weight Group No.'.

- k) Enter required information indicated with a red asterisk (*) and any other information needed.
Note: Vintelligence information for 'Body Type' may need to be changed.

 Year: 1984 Body Type: TR - Tractor Make: PETERBILT - PTRB
 Axles: 3 Combined Axles: 3 Fuel Type: D - Diesel

- n) The message at the top shows the New Vehicle was generated, and a reminder to search by VIN before adding another vehicle.

- o) If no other vehicle is being added, click the **Done** button at the bottom of the screen.

- p) The Web Processing screen displays. If any documents need to be added, enter the **VIN**, select document type from the **Vehicle Document Type** dropdown list, select **Browse** to find the document saved in PDF format in your computer and select **Upload**.
- q) Once all documents are added, click **Submit**. Select **Quit** and **Log out** (upper right of screen) of CRS if no other transactions need to be completed.

6) Motor Carrier Services Approval

- a) Once the transaction is submitted successfully, the system sends information out to the Web Processing site for Motor Carrier Services to approve.
- b) If everything is complete, they will approve the uploaded documents (if applicable), generate the invoice and send it to the customer email address supplied. The email from ITD serves as notification that there is an invoice ready for payment.

7) Payment of Invoice

- Log in to CRS with the User name and password as shown in **Step 2j** above.
- When the Customer Dashboard opens, any supplements to be paid will appear in the Pending Transactions section. The **Status** should show **Invoiced/Approved**.
- If there is more than one supplement to pay, select the green **Intrastate** button next to the desired supplement.

Additional financial functions are available from the Customer Dashboard by selecting **Finance** under **Operations** in the left column menu.

- Select **Payment Inquiry** to see all payments that have been made.
- Select **Payment Receipt** in the **Reprint** section to reprint a previously generated receipt.
- Select **Cart Payment** to see any outstanding invoices.

13) Alternate Method for Paying Invoices

- Select **Finance** under **Operations** in the left column menu.
- Select **Cart Payment** to see any outstanding invoices.
- Enter the invoice number, or date range to bring up the invoices still pending.
- Select **Search**.

- The search results of any outstanding invoices will display. Select the box for the invoice for payment and click **Add**.

- f) The **Payment** screen will display.
- If this is not the correct invoice, select **Remove**.
 - If this is the correct invoice, select **Pay**.
- Note:** More than one invoice can be selected to be paid.
