I am **no longer driving** due to medical or visual reasons, and I would like to voluntarily surrender my driver's license for a No-Charge Identification Card.

When you voluntarily surrender your driver's license, the following will apply:

- You must take your driver's license and this completed form to the county driver's license office.
- As long as your driver's license remains canceled, you will be eligible to renew your Identification Card at no cost.
- Your driver's license will remain canceled until you make application for a new license, at which time you will be required to pass any applicable written, road, visual and/or medical tests, pay full license fees, and surrender the free Identification Card.

- ☐ **NO-CHARGE IDENTIFICATION CARD**
- ☐ **DO NOT WANT AN IDENTIFICATION CARD**
